

8200 COMPETITIVE PROBLEMS IN THE DRUG INDUSTRY

43  
5420  
Serial: 86  
25 January 1971

RECOMMENDATION: That Items 1, 2, and 3 above be reclassified as "LIMITED STANDARD" with eventual deletion from the Federal Supply Catalog. Retain generic TETRACYCLINE HYDROCHLORIDE 0.25 GM (FSN 6505-286-7302) as a standard item.

4. Enclosure (2) represents the complete detailed committee actions on the "special interest" items.
