

6. QUESTION:

For FYs 1969, 1971 and 1973 how many man-years of laboratory work went into support of the inspection process? Please break down the total laboratory man-years into:

DPSC laboratory
Contract laboratories
Other (specify)

ANSWER:

Laboratory work in support of the inspection process for drugs and non-drugs ** (covering pre-award samples, contractual samples, pre-acceptance samples and samples submitted by the QAR for verification) is as follows:

	<u>FY 69</u>		<u>FY 71</u>		<u>FY 73</u>	
	12 man-years (4.4 man-years devoted to drugs)		7 man-years (1.8 man-years devoted to drugs)		9 man-years (2.3 man-years devoted to drugs)**	
	<u>Samples*</u>	<u>Cost</u>	<u>Samples*</u>	<u>Cost</u>	<u>Samples*</u>	<u>Cost</u>
DPSC Laboratory	14	\$845.00	9	\$380.00	8	\$845.00
Contract Laboratories	413	\$7,720.18	464	\$8,032.59	213	\$4,819.55
Other Laboratories						
Walter Reed	373	\$6,585.74	390	\$6,327.86	144	\$3,101.00
U.S. Army Medical Research Lab, Ft. Knox	40	\$1,134.44	74	\$1,704.73	69	\$1,718.55
