

COMPETITIVE PROBLEMS IN THE DRUG INDUSTRY 12221

3. Discussion and approval of Task Group Order. The Committee discussed and recommended the following changes and/or additions to the Task Group Order:

-- Page 1, under "2.Scope", sentence to be added:

"In so doing the group need not confine its efforts to FSG 65, but should also consider any agreed upon 'families' of items in other groups which are considered medical items."

-- Page 1, under "3.Composition", third line, change "Committee" to read: "Task Group members."

-- Page 2, Item 4 (a), 7th line: change "add" to read: " as".

-- Page 2, Item 4 (b), first line: change to read: "The task group may consider the following information and other sources"

Persons designated to serve as the Task Group are:

Robert G. Rose, VA, Manager, VA Marketing Service

Elton G. Hailey, Director, General Programs Division,
Office of Procurement, FSS

Joseph Forbes, Chief, Quality Assurance Branch, NIH

Mr. Rozycki will furnish the name of his agency representative within the week. (Please note Attachment 3)

The Committee agreed that the Task Group should meet among themselves and then meet with the Interagency MED/NPS
