

12214 COMPETITIVE PROBLEMS IN THE DRUG INDUSTRY

ATTACHMENT 2

AGENDA FOR MEETING
STANDING COMMITTEE TO DEVELOP
MEDICAL AND NONPERISHABLE SUBSISTENCE SUPPLIES
POLICY AND MANAGEMENT PROGRAM

MONDAY, JULY 22, 1974
10:30 A.M.

1. Report of July 8 meeting.
2. Briefing on the findings of the Study Team Report on Optimum Procurement and Distribution Systems for Medical and Nonperishable Subsistence Items regarding acquisition practices, to be coordinated by Mr. Adams.
3. Presentation and discussion of agency responses to the proposed charter for the Committee.
4. Further consideration of approaches to implementing Recommendation Number 2.
5. Presentation of proposed families of medical items by DOD and VA, and consideration of the effect of simulated reassignments of acquisition functions among the four agencies.
