

COMPETITIVE PROBLEMS IN THE DRUG INDUSTRY 12319

NATIONAL RESEARCH COUNCIL
ASSEMBLY OF LIFE SCIENCES

2201 Constitution Avenue Washington, D. C. 20418

DIVISION OF MEDICAL SCIENCES
DRUG RESEARCH BOARD

21 November 1974

MEMORANDUM

TO: Drug Research Board
FROM: Duke C. Trexler DCT
SUBJECT: Resolution with Respect to Anti-Substitution Legislation

The attached Resolution was adopted by the Drug Research Board on October 25, 1974. The vote was unanimous except that Dr. Crout abstained on account of his position with the FDA.

The Resolution was forwarded for approval by the Assembly of Life Sciences, and it was unanimously approved by the ALS on November 19, 1974.

The Resolution will now be distributed to the various agencies of government and professional organizations that are concerned with a covering Memorandum noting this as the recommended policy of the NAS-NRC in this field.

Enclosure
Resolution (as originally forwarded to ALS)

The National Research Council is the principal operating agency of the National Academy of Sciences and the National Academy of Engineering to serve government and other organizations
