duly

1 licensed physician or a ~~dentist~~ [qualified optometrist] licensed
2 optometrist or from duplicating lenses.

3 2. It shall be unlawful for any optometrist to make an eye
4 examination, visual analysis, refraction, or conduct any part of
5 the practice of optometry, either directly or indirectly, as an
6 employee or associate of any person not licensed as an optometrist,
7 or of any firm, corporation, lay body, organization, or group; pro-
8 vided, however, that this prohibition shall not be construed to
9 prevent the continuance by an optometrist of any such contract
10 of employment or of any such association or other arrangement
11 existing at the time this section as hereby amended takes effect or
12 to prevent such an optometrist from making such a contract of
13 employment or a new such association or arrangement with or
14 for a new employer.

15 3. It shall be unlawful for any corporation, lay body, organiza-
16 tion, group or lay person in any manner to make an examination,
17 visual analysis, refraction, or to conduct any part of the practice
18 of optometry through the means of engaging the services on a
19 salary, commission or any other compensatory basis, directly or
20 indirectly, or an optometrist licensed under the provisions of this
21 article, provided that this prohibition shall not apply to any
22 university or school of medicine or of optometry, hospital, health
23 center, clinic or similar non-profit institution or to any public
24 or governmental agency; nor shall it prevent a duly licensed
25 optometrist from being employed and compensated by a firm,
26 corporation, lay body, organization, or group for the purpose of
