

3

1 advertising in or affecting commerce, which fail adequately
2 to disclose the credit terms offered to buyers in making pur-
3 chases, or obtaining loans, payable in installments or offered
4 under open end credit plans. Such failure of adequate dis-
5 closure tends to increase the uninformed and untimely use of
6 credit by the public, thereby adversely affecting economic
7 stabilization, increasing inflationary pressures, and decreas-
8 ing the stability of the value of our currency. The informed
9 use of credit results from an awareness of the cost thereof by
10 consumers. It is the purpose of this title to assure a mean-
11 ingful disclosure of credit terms so that the consumer will
12 be able to compare more readily the various credit terms
13 available to him and avoid the uninformed use of credit.

14 “(b) Congress further finds that the stabilization of
15 consumer prices would be enhanced by the regulation of
16 speculation in, and the excessive use of credit for, the creation,
17 carrying or trading in commodity futures contracts, as well
18 as the establishment of standby authority for the emergency
19 control of consumer credit.
