If the Commission suspends such new schedule it shall immediately give notice of a hearing upon the matter and, after such hearing and within such suspension period, shall determine and by order fix the schedule of rates to be charged by the Corporation. If the Commission does not enter an order, to take effect at or prior to the end of the period of suspension, fixing the schedule of rates to be charged by the Corporation, the suspended schedule filed by the Corporation may be put into effect by the end of such period, and shall remain in effect until the Commission has issued an appropriate order based on such proceeding.
