

With some 3 1/2 millions of fellow Americans now in our Armed Forces, someone you know needs USO

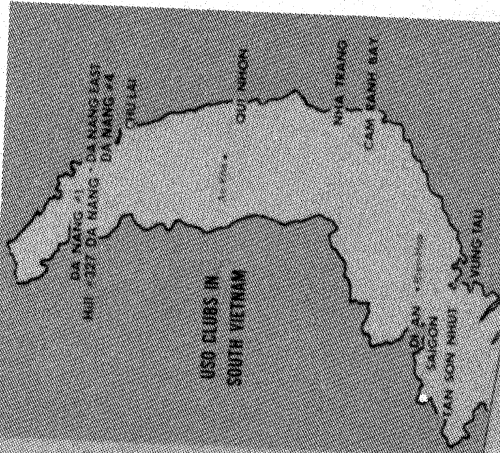

Children are you have a loved one, a neighbor, a friend, now wearing the uniform, son, or daughter of those who were called to the colors in World War II, in Korea, in the cold war. But is no longer call—three generations of our fellow Americans who have been asked to leave their families, schools, jobs, facilities, in defense of us who can remain safely at home thanks to them.

USO—wherever they go

To provide them with a "home away from home" to bring them the familiar comforts and joys they left behind—the USO operates clubs and lounges in 118 communities throughout the United States and 46 of 14 foreign nations where U.S. troops are stationed. It sends out the finest USO Shows to entertain them in the most remote corners of the world where they are standing guard at so many gates of freedom.

USO is US, over here and over there

More than 85,000 loyal Americans—young and old—serve as volunteers in 37 states and 14 countries, to help the small USO professional staff keep the kitchens going and the coffee hot, dispensing old-fashioned "home-town American hospitality in your name."

USO CLUBS IN SOUTH VIETNAM

USO is US, over here and over there. It answers the two questions peculiarly on the mind—and in the heart—of everyone in uniform.

"Does anyone know I'm here?"
and
"Does anyone care?"
