General Notes

1. The figures for fiscal 1967 and 1968 in the tables throughout this report are consistent with the estimates in the President's budget for 1968 presented in January 1967.
2. The Commission's staff, rather than any official agency, is responsible for the estimates of the quantitative effects of the Commission's recommendations.
3. Details in tables may not add to totals due to rounding.
