

scope, there are few who understand it. The study this group is to undertake should assist both public and Congressional understanding of this important document.

I am asking the Commission to prepare its recommendations by September. If it appears necessary to extend the deliberations beyond this date, the September report can be in the nature of a progress report. It is my hope that at least some of the recommendations of the Commission can be incorporated in my next year's Budget.

We are fortunate in having assembled so able and distinguished a group of citizens to undertake this task.
