

QUESTION AND ANSWER #19

I SIGNED UP A MONTH AGO, WHEN AND HOW AM I GOING TO GET
TAX EXEMPTION?

I don't blame you for wanting to get your tax exemption, and
a month seems like quite a period of time. The law governing
federal tax exemption is quite clear and when the proper amount
of time has elapsed, and the applicant has properly satisfied
both the time and action requirements, the exemption will be
recognized. One of several procedures is open to your founda-
tion. Your attorney can advise you.
