Honorable Wayne Morse
United States Senate
Washington, D. C. 20525

Dear Senator Morse:

On behalf of the Association of Oregon Counties, I wish to thank you most sincerely for inviting us to appear before your committee relative to the problem of log exports to Japan.

Unfortunately, we will not be able to attend. However, I am attaching to this letter, for consideration by your committee, a copy of the presentation made by Commissioner Doerner, on behalf of our Association, to representatives of the State Department several weeks ago on this same subject. Mr. Doerner's statement adequately represents the position of our Association on this important matter.

We wish your committee great success in developing an amicable solution to the serious and complex problem of log exportation. If we can be of further assistance, please feel free to call on us at any time.

Sincerely,

Gerald W. McCann
President
