QPL-ZZ-H-617-2
18 November 1958

This list has been prepared for use in connection with Government procurement of products covered by the subject specification.

All products listed herein have been qualified under the requirements for the product as specified in the latest issue of the applicable specification. Revisions of this list will be issued as necessary. The listing of a product does not release the manufacturer from compliance with the specification requirements. Reproduction of or reference to this list in whole or in part for advertising purposes is expressly forbidden.

The activity responsible for this Qualified Products List is Army Ordnance Corps Ordnance Tank-Automotive Command, Detroit Arsenal, Center Line, Michigan.
