

**NOTICE:** This List is available to persons employed by the Federal Government who require it in the procurement of supply items listed herein. Federal Qualified Products Lists shall not be made available to any other person except as provided herein. Qualified Products Lists may be furnished to prime contractors who supply items or services, or a combination thereof, procured by the Federal Government, only if the prime contractor is required to procure from others, materials, parts, components or subassemblies listed on a Qualified Products List in the production of the item(s) covered by his prime contract. Reproduction of this List in whole or in part is expressly prohibited.

# FEDERAL QUALIFIED PRODUCTS LIST OF PRODUCTS QUALIFIED UNDER FEDERAL SPECIFICATION

W-L-314a

## LIGHTS; HOUSEHOLD

Any product listed herein has been qualified under the requirements for the product as specified in the latest issue of the applicable specification. Revisions of this list will be issued as necessary. The listing of a product does not release the manufacturer from compliance with the specification requirements. Reproduction of, or reference to this list in whole or in part for advertising purposes is expressly forbidden.

| Government Designation                                  | Manufacturer's Designation<br>2/ | Test or Qualification Reference | Manufacturer's Name and Address<br>1/ |
|---------------------------------------------------------|----------------------------------|---------------------------------|---------------------------------------|
| Type I- Large floor lamp, incandescent 300/200/100 watt |                                  |                                 |                                       |
| Style A- Conventional design                            |                                  |                                 |                                       |
