

way, and this tells you are in Westchester County. You can have just a sign here, but instead they have these concrete blocks. There is a real hazard, and I am going to show you four or five pointing this out.

Somebody had slammed into the side of this wall, and I have an article where he is in critical condition.

I think these things are unnecessary.

Mr. CRAMER. May I ask, Mr. Prisk: It appears in some instances that those are on the right-of-way, are they not?
