

is not following a plan for the management and protection of the lands that the Secretary finds protects the land and assures its use for purposes consistent with this Act.

(b) The Secretary of the Interior is authorized to accept title to non-Federal property within the authorized boundaries of any federally administered component of the national scenic rivers system designed in section 3 of this Act or hereafter designated for inclusion in the system by Act of Congress and, in exchange therefor, convey to the grantor any federally owned property which is under his jurisdiction within the State or States in which the component lies and which he classifies as suitable for exchange or other disposal. If the properties exchanged are not of approximately equal fair market value, the Secretary may accept cash from or, subject to the availability of appropriations therefor, pay cash to the grantor to the extent of the difference in the values involved in the transaction.

(c) The head of any Federal department or agency having administrative jurisdiction over any lands or interests in land within the authorized boundaries of any federally administered component of the national scenic rivers system designated in section 3 of this Act or hereafter designated for inclusion in the system by Act of Congress is authorized to transfer to the Secretary of the Interior jurisdiction over such lands for administration in accordance with the provisions of this Act.

(d) The Secretary of the Interior is authorized to accept donations of lands and interests in land, funds, and other property for use in connection with his administration of the national scenic rivers system.

(e) Subsections (a), (b), (c), and (d) of this section shall apply with equal force to the Secretary of Agriculture in the case of any component of the national scenic rivers system which is within his administrative jurisdiction.

SEC. 7. (a) The Federal Power Commission shall not license the construction of any dam, water conduit, reservoir, powerhouse, transmission line, or other project works under the Federal Power Act (49 Stat. 863), as amended (16 U.S.C. 791a et seq.), on or directly affecting any river which is designated in section 3 of this Act as a component of the national scenic rivers system or which is hereafter designated for inclusion in that system, and no department or agency of the United States shall assist by loan, grant, or otherwise in the construction of any water resources project on or directly affecting any such river. No department or agency of the United States shall recommend authorization of any water resources project on or directly affecting any such river or request appropriations to begin construction of any such project, whether heretofore or hereafter authorized, without advising the Secretary of the Interior in writing of its intention to do at least _____ days in advance, and without specifically reporting to the Congress in writing at the time it makes its recommendation or request that construction of such project would be in conflict with the purposes of this Act.

(b) The Federal Power Commission shall not license the construction of any dam, water conduit, reservoir, powerhouse, transmission line, or other project works under the Federal Power Act, as amended, on or directly affecting any river which is listed in section 5, subsection (a), of this Act, and no department or agency of the United States shall assist by loan, grant, or otherwise in the construction of any water resources project on or directly affecting any such river—

(i) during the five-year period following enactment of this Act unless, prior to the expiration of said period, the Secretary of the Interior, on the basis of study, concludes that such river should not be included in the national scenic rivers system and publishes notice to that effect in the Federal Register, and

(ii) during such additional period thereafter as, in the case of any river which the Secretary recommends to the President and the Congress for inclusion in the national scenic rivers system, is necessary for congressional consideration thereof, or, in the case of any river recommended to the Secretary of the Interior for inclusion in the national scenic rivers system, under section 2(a) (ii) of this Act, is necessary for the Secretary's consideration thereof, which additional period, however, shall not exceed three years in the first case and one year in the second.

No department or agency of the United States shall, during the periods hereinbefore specified, recommend authorization of any water resources project on any
