

[Notice of Provisional Measures]

International Antidumping Code:

10 (c) The authorities concerned shall inform representatives of the exporting country and the directly interested parties of their decisions regarding imposition of provisional measures indicating the reasons for such decisions and the criteria applied, and shall, unless there are special reasons against doing so, make public such decisions.

Antidumping Act, 1921, As Amended:

Section 201 (b) does not specifically require publication of notice in the Federal Register that appraisement is being withheld; he is required to publish notice in the Federal Register that he has reason to believe or suspect that a dumping margin exists. He then shall authorize the withholding of appraisement.

U.S. Treasury Regulations:

The Withholding of Appraisement Notice is described in Section 14.6 (e) to include a description of the merchandise, the name of the country of exportation, certain shippers or producers involved, the date of the receipt of information in proper form, and the appropriate basis of comparisons for fair value purposes.
