District totals and commodity entries may not equal their respective sub-totals and grand totals because of rounding.

Dash (—) denotes values less than \$50,000 or percentages less than 0.05%.

FOOTNOTES:

Customs Districts totaling less than \$700,000 are not individually shown on the main table. The values for these districts are, however, included in the appropriate regional totals. The total shipments and principal commodities of these Customs Districts are given in the footnotes below with value figures (in thousands of dollars).

¹ Included in Region I Total: Portland, Maine (54)—textile fabrics (26), electrical machinery (26), fish preparations (3), other (9); St. Albans, Vermont (182)—machinery (174), other (8); Ogdensburg, New York (124)—iron and steel (37), chemicals (29), machinery (25), toys, games and sporting goods (12), other (21).² Included in Region VI Total: Port Arthur, Texas (655)—miscellaneous manufactures (652), ships and boats (3).³ Included in Region VII Total: Nogales, Arizona (139)—machinery (68), miscellaneous manufactures (67), other (4).⁴ Included in Region VIII Total: Great Falls, Montana (35)—machinery (13), non-metallic mineral manufactures (12), iron and steel (4), miscellaneous manufactures (6).⁵ Included in Region IX Total: Pembina, North Dakota (154)—miscellaneous metal manufactures (140), other (14).⁶ The Grand Total of Group 990 includes \$35,243 thousand in low-value shipments not assigned to individual Customs Districts.
