

BROACHES

| <u>TYPE</u>                                      | <u>SIZE</u>    | <u>NO. OF UNITS</u>  |
|--------------------------------------------------|----------------|----------------------|
| Horizontal, Single Ram                           | 5 - 10 ton     | 48" stroke & over 6  |
| " " "                                            | 10 - 15 "      | under 60" stroke 1   |
| " " "                                            | 25 - 35 "      | " 72" " 1            |
| " " "                                            | 25 - 35 "      | over 72" " 2         |
| " " "                                            | 35 - 50 "      | " 72" " 1            |
| " " "                                            | 50 tons & over | " 72" " 1            |
| Surface, Hydraulic, Single Ram                   | under 15 tons  | 120" stroke & over 1 |
| " " "                                            | 15 - 30 tons   | 120 " " " 2          |
| Horizontal, Continuous                           | 10 - 20 tons   | 60" stroke & over 16 |
| Horizontal, Electro Mechanical Drive, Single Ram |                | 120" - 240" stroke 8 |
| Pull Down                                        | 15 - 20 ton    | 48" stroke & over 8  |
| " "                                              | 20 - 25 "      | 48" " " 1            |
| " "                                              | 35 - 50 "      | 60" " " 5            |
| " "                                              | 50 ton & over  | 60" " " 1            |
| Pull Up                                          | 10 - 15 ton    | 36" " " 2            |
| " "                                              | 10 - 15 "      | 48" " " 5            |
| " "                                              | 25 - 35 "      | 60" " " 1            |
| " "                                              | 25 - 35 "      | under 60" stroke 1   |
| Vertical, Surface, Hydraulic, Single Ram         | 10 - 15 ton    | 48" stroke & over 4  |
| " " "                                            | 15 - 20 "      | 48" " " 15           |
| " " "                                            | 20 - 25 "      | 48" " " 2            |
| " " "                                            | 25 - 35 "      | 60" " " 8            |
| Vertical, Surface, Hydraulic, Double Ram         | 10 - 15 ton    | under 48" stroke 1   |
| " " "                                            | 15 - 20 "      | 48" stroke & over 7  |
| " " "                                            | 25 - 35 "      | 60" " " 5            |
| Vertical, Electro Mechanical Drive, Single Ram   | 75 H.P.        | 72" - 100" stroke 5  |
| Vertical, Electro Mechanical Drive, Double Ram   | 75 - 100 H.P.  | 72" - 100" stroke 8  |
