

Product	Type of Restriction	Estimated Impact on U.S. Trade	Trade Agreement Status	Remarks
Coal	Transport subsidy on domestic coal	Significant but competition from gas and petroleum makes estimate impossible. Efficient low-cost U.S. production could displace a good share of the 11 million tons of bituminous coal produced annually in Canada	Legal and predates the GATT	As a Kennedy Round concession, Canada will remove the 50c per ton duty on bituminous coal but has indicated that the domestic transport subsidy would continue in effect.
Containers	Canned goods are permitted import only if in cans of sizes established by the Canadian Government	Significant, according to the National Cannery Association.	Legal and negotiable	In response to U.S. representations, Canada said that changes in requirements will be considered as part of a world-wide auspices of the United Nations Joint FAO/WHO Codex Alimentarius Commission.
