

TABLE 24

URUGUAY		URUGUAY	
Product	Type of Restriction	Estimated Impacts on U. S. Trade	Trade Agreement Status
All imports	Port handling fee: \$0.25 per 100 kg. of gross weight or \$3.33 per 100 pesos of valuation	Not significant	Legal
Other Restrictions			
Most imports	(180 Day Prohibition)	Significant, but groups too broad to define	Illegal and affects bound items ^{1/}
			Effective July 17, 1967, the Government of Uruguay closed all import registration for 180 days with the exception of items on which LAFTA concessions have been granted on special lists for Paraguay and Ecuador or in complementation agreements and raw materials urgently needed by domestic industries. All exceptions are determined on a case by case basis.

^{1/} Not consistent with principle of minimum commercial quantities under Article XVIII.
