

TABLE 25

AUSTRALIA		AUSTRALIA	
Product	Type of Restriction	Estimated Impact on U.S. Trade	Remarks
Other Restrictions (continued)			
Sulphuric acid	Subsidy	Not significant	Bounties, subject to 12.5% profit limitation, payable to domestic producers
Tractors	Subsidy	Not significant	Bounty, subject to 10% profit limitation, paid to domestic producers when value-added is 55% or more.
All packaged goods	Weights and measures regulations	Not significant	Embassy believes weight limitations to be arbitrary restraints affecting imports, and should therefore be negotiated.
Motion picture films	Screen-time quota	Not significant	Quota is applied in New South Wales which represents approximately half the theater seating capacity of Australia, requiring by law that 15% of all films shown be British and 2% be Australian.
