

Nonfat Dry Milk

A total of 88 countries applied import duties and/or other charges averaging 8.24 cents per pound on nonfat dry milk.

Argentina, Chile, and Portugal had the highest import duties--49.28, 34.65, and 25.40 cents per pound, respectively.

The U.S. import duty--the only entry charge on this product--was 1.50 cents per pound.

Thirteen countries admitted nonfat dry milk free of duty or other entry charges.
