¹ Export market value.

² Sales for foreign currency, economic aid, and expenditures under development loans (1964 and 1965). Public Laws 87-195, 665, and 165.

³ Commercial sales for dollars include, in addition to unassisted commercial transactions, shipments of some commodities with governmental assistance in the form of short- and medium-term credit export payments, and sales of Government-owned commodities at less than domestic market prices.
