PART B—SPECIAL PROJECT AND INSTITUTIONAL GRANTS TO SCHOOLS OF NURSING

SPECIAL PROJECT AND INSTITUTIONAL GRANTS

SEC. 211. Sections 805 and 806 of the Public Health Service Act (42 U.S.C. 296d, 296e) are amended to read as follows:

"IMPROVEMENT IN NURSE TRAINING

"SEC. 805. From the sums available therefor from appropriations under section 808 for the fiscal year ending June 30, 1970, and each of the next three fiscal years, grants may be made to assist any public or nonprofit private agency, organization, or institution to meet the cost of special projects to plan, develop, or establish new programs or modifications of existing programs of nursing education or to effect significant improvements in curriculums of schools of nursing or for research in the various fields of nursing education, or to assist schools of nursing which are in serious financial straits to meet their costs of operation or to assist schools of nursing which have special need for financial assistance to meet accreditation requirements, or to assist in otherwise strengthening, improving, or expanding programs of nursing education, or to assist any such agency, organization, or institution to meet the costs of other special projects which will help to increase the supply of adequately trained nursing personnel needed to meet the health needs of the Nation.

"INSTITUTIONAL GRANTS

"SEC. 806. (a) The sums available for grants under this section from appropriations under section 808 for the fiscal year ending June 30, 1970, or any of the next three fiscal years shall be distributed to the schools with approved applications as follows: Each school shall receive \$15,000; and of the remainder—

"(A) 75 per centum shall be distributed on the basis of the relative enrollment of full-time students for such year and the relative increase in enrollment of such students for such year over the average enrollment of such school for the five school years preceding the year for which the application is made, with the amount per full-time student so computed that a school receives twice as much for each such student in the increase as for other full-time students, and

"(B) 25 per centum shall be distributed on the basis of the relative number of graduates for such year.

"(b) (1) For purposes of this part and part D, regulations of the Secretary shall include provisions relating to determination of the number of students enrolled in a school, or in a particular year-class in a school, or the number of graduates from a school, as the case may be, on the basis of estimates, or on the basis of the number of students who were enrolled in a school, or in a particular year-class in a school, or were graduates from a school in earlier years, as the case may be, or on such basis as he deems appropriate for making such determination, and shall include
