

1 the Congress not later than December 31, 1975, a report
2 on—

3 (i) the status of research and development work in
4 progress under the provisions of section 2, subsections
5 (a), (b), (c), and (d), along with a program for the
6 orderly termination of these activities in accordance with
7 subsection (a) of this section; and

8 (ii) the status of work in progress under the provi-
9 sions of subsection 2 (e) and section 3 along with rec-
10 ommendations for the integration of these remaining
11 functions within the ongoing water resource programs
12 of the Department of the Interior.

13 (c) No new commitments shall be made under authority
14 of this Act for cooperation with public or private agencies
15 in foreign countries which require the expenditure of funds
16 appropriated pursuant to this Act.

17 SEC. 8. As used in this Act—

18 (a) the term "Secretary" means the Secretary
19 of the Interior;

20 (b) the term "saline water" includes sea water,
21 brackish water, mineralized ground or surface water,
22 and irrigation return flows;

23 (c) the term "other chemically contaminated
24 water" includes agricultural runoff, municipal and indus-
25 trial effluent, mine drainage, and naturally contaminated
