2 and operation of the facility.

3 “(e) The term ‘parking facilities’, for purposes of this
4 section, shall include access roads, buildings, structures, equip-
5 ment, improvements, and interests in lands.”

6 “(f) The Secretary shall not approve any project under
7 this section unless he determines that it is needed for carry-
8 ing out a plan, completed or under active preparation, for a
9 unified or officially coordinated urban transportation system
10 as part of the comprehensively planned development of the
11 urban area.”
