

Possibly if there had been a jury trial, which could have been in the area, the burden would have been less, and they could have received true compensation for their property.

Any help you can give in getting trial by jury passed will be greatly appreciated.

Thanks.

DEAR MR. THOMPSON: Please speak up for us on the trial by jury bill.

I would like to believe I at least live in the United States where we all have equal rights instead of an area where we are under the control of an agent who would like to be a king with very special rights as TVA seems to have in this area.

Thanks for all the help.

Yours,

DEAR MR. THOMPSON: I think we should have a trial by jury so our property value will be heard and decided on by the people of the area, who have a greater knowledge of the economics of the area.

It is one of the basic procedures our government is based on for the people.

Thanks to you.

EARL B. MOLLOY.

P.S.—It would be a less burden for the people who work for a living, so as to help support government organizations.

DEAR MR. THOMPSON: I would like for you to represent me, in the matter of the trial by jury.

I do not think that the T.V.A. has the rights' or power to do us this way.

My reasons are. I do not think that it is fair, and also because the T.V.A. now has more land than they can develop.

We know that if we have to sell and go before T.V.A. trial we wouldn't get nothing for our property.

We don't want to sell, but if we have to, we want a trial by jury, so we can get something out of our home.

We thank you very much for your help.

Yours Truly,

DEAR MR. THOMPSON: Please. Speak up for us in the matter of trial by jury.

We do not think it is fair for any government agency to be allowed to deny us something which is guaranteed in our Constitution.

The 3 Man Commission Idea means that TVA has too much power over what happens to us. And we thank you for what you have done for us.

Sincerely,

MILAN FOWLER.

DEAR MR. THOMPSON: I request Mr. Thompson to represent me before the committee for a trial by jury.

My reason are—The T.V.A. picks their three (3) man commission paid by T.V.A. with the taxpayer money. We are denied our constitutional rights when
