

1 to the headwaters of Crow Creek and along its south
2 bank downstream to the confluence with the North Fork
3 of the Entiat River;

4 thence in a southerly direction along the east bank
5 of the North Fork of the Entiat River to its confluence
6 with the main stream of the Entiat River;

7 thence upstream along the west bank of the Entiat
8 River to the confluence of Three Creek;

9 thence upstream along the south bank of Three
10 Creek to the hydrological divide between the Entiat
11 River and the Chiwawa River at a point just opposite
12 the headwaters of the east fork of Chickamin Creek;

13 thence in a northwesterly direction along said divide
14 through Garland Peak to a point on the divide where
15 the ridge separating Chickamin Creek and Rock Creek
16 meets the divide;

17 thence in a generally southwesterly direction along
18 the ridge between the two creeks to a high point on the
19 end of the ridge approximately one mile southeast of
20 Basalt Peak and approximately one and a half miles east
21 of BM 2515 at Rock Creek Crossing;

22 thence in a generally southeasterly direction on the
23 ridge crest immediately flanking the Chiwawa River
24 on the northeast to the middle of section 8, township
