

1 thence in a westerly direction to the confluence of
2 Cady Creek with the Little Wenatchee River;

3 thence across the Little Wenatchee River in a
4 westerly direction along the ridge separating Cady
5 Creek and Fish Creek to the Cascade Divide;

6 thence south along the Cascade Divide to the point
7 where West Cady Ridge (between West Cady Creek
8 and Pass Creek) meets the divide from the west;

9 thence westward along West Cady Ridge through
10 Benchmark Mountain to Excelsior Mountain;

11 thence northward across Pass Creek along Storm
12 Ridge (between Goblin Creek and Quartz Creek)
13 through Goblin Mountain to the divide between the
14 drainages of the Sauk and Skykomish Rivers;

15 thence along said divide in a southwesterly direction
16 to Kyes Peak;

17 thence in a northwesterly direction to the point of
18 meeting between the drainage basins of the Skykomish
19 River and the North and South Forks of the Sauk
20 River;

21 thence northward along the ridge separating the
22 drainages of the North and South Forks of the Sauk
23 River to Cadet Peak;

24 thence in a northeasterly direction to the south-
