

1 described in subsection (d) shall be known as the Chelan
2 National Mountain Recreation Area.

3 (d) The area referred to in subsection (c) as the Chelan
4 National Mountain Recreation Area in the area enclosed
5 within the following boundary:

6 Beginning at that point where Majestic Mountain Ridge
7 (dividing Mill Creek and East Creek of Granite Creek)
8 meets the Cascade Divide in section 5, township 36 north,
9 range 17 east, Willamette meridian, unsurveyed;

10 thence in a northeasterly direction along the Cascade
11 Divide through Azurite Peak to a point just east of
12 Glacier Pass where Hancock Ridge meets the divide;
13 thence in a generally easterly direction along Han-
14 cock Ridge to a point due north of Flagg Mountain to
15 the south;

16 thence in a southerly direction across the West Fork
17 of the Methow River through Flagg Mountain to De-
18 lancy Ridge;

19 thence in a generally easterly direction along De-
20 lancy Ridge to a point due north of the confluence of
21 Silver Star Creek with Early Winters Creek;

22 thence south to the confluence of Silver Star Creek
23 and Early Winters Creek;

24 thence across Early Winters Creek in a generally
25 southerly direction along the hydrological divide just
