

1 thence upstream along the south bank of Corral
2 Creek and its south fork to the hydrological divide be-
3 tween Lake Chelan and the Entiat River at a point just
4 south of Crow Hill;

5 thence in a southwesterly direction across the divide
6 to the headwaters of Crow Creek and along its south
7 bank downstream to the confluence with the North
8 Fork of the Entiat River;

9 thence in a southerly direction along the east bank
10 of the North Fork of the Entiat River to its confluence
11 with the main stream of the Entiat River;

12 thence upstream along the west bank of the Entiat
13 River to the confluence of Three Creek;

14 thence upstream along the south bank of Three
15 Creek to the hydrological divide between the Entiat
16 River and the Chiwawa River at a point just opposite
17 the headwaters of the east fork of Chickamin Creek;

18 thence in a northwesterly direction along said di-
19 vide through Garland Peak to a point on the divide
20 where the ridge separating Chickamin Creek and Rock
21 Creek meets the divide;

22 thence in a generally southwesterly direction along
23 the ridge between the two creeks to a high point on the
24 end of the ridge approximately one mile southeast of
