| <p>Army personnel to take this action they will immediately seek a 7<br/>US Marshal (or civil policeman) to take over such custody on the spot or<br/>at a detention center. In the event the number of civilian personnel<br/>taken into custody exceeds the capability of DOJ (or civil police) to detain<br/>them, your forces will provide temporary detention facilities until DOJ<br/>(or civil police) can continue to receive them.</p> <p>1. Searches of individuals or private property (including automobiles) may<br/>be conducted only after you have determined that such searches are reasonably<br/>necessary to the accomplishment of your mission. That determination must<br/>be based upon either a review of the evidence forming the basis of the request<br/>for the search or your own preliminary investigation. Searches should be conducted<br/>by the following personnel in the order indicated, if available;</p> <ul style="list-style-type: none"> <li>(1) Municipal law enforcement officials.</li> <li>(2) Representatives of the Department of Justice.</li> <li>(3) Task Force personnel.</li> </ul> <p>2. You will cooperate with and assist municipal law enforcement officers<br/>to assume their normal roles. In this regard, you will not take orders from<br/>state or municipal civil authorities.</p> <p>3. The Assistant Chief of Staff for Communications-Electronics will be<br/>responsible for communications facilities between your CP location and the<br/>Army Operations Center, Washington, D.C. Direct communication with DA</p> |         |               |                   |                                                    |  |
| CONTROL NO.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | TOR/TOO | PAGE NO.<br>6 | NO.
