

The students who are coming to us are seeing a catalog that was prepared last February because the faculty was all on board. The new catalog will carry the complete course description and the titles for all the courses in each of the disciplines.

Earlier, I believe, Mr. Hathaway asked about that catalog.

So courses have been identified. There is a full curriculum in philosophy, literature, history, and so on.

Thank you.

Mrs. GREEN. Do you have any questions?

Mr. ERLNBORN. No, I haven't.

Mrs. GREEN. Unless Mr. Mayer has something that has not been covered——

Mr. MAYER. No, I haven't, Madam Chairman.

Mrs. GREEN. I thank Congressman Stratton and you other gentlemen for your help.

The subcommittee is adjourned.

(Whereupon, at 11:15 a.m., the subcommittee recessed, to reconvene at the call of the Chair.)
