

Mr. BLACK. It is conceivable.

Senator MOSS. All right.

Do you have anything you would care to add, Mr. Harrison?

Mr. HARRISON. No, Mr. Chairman.

Senator MOSS. Thank you very much.

We appreciate having your testimony on this.

I have no other witnesses listed for S. 3050. Is there anyone who had expected to testify who hasn't had an opportunity? If not, we will close the hearing on S. 3050.

(Whereupon at 12 noon, the hearing was adjourned.)
