

RESOLUTION 306—PROTESTING REPEAL OF THE STATUTORY AWARD FOR ARRESTED TUBERCULOSIS

Whereas the United States Veterans Advisory Commission has recommended that Title 38 U.S.C., Section 314 (q) concerning the static rating for arrested tuberculosis be repealed, and

Whereas the Committee on Veterans Affairs has introduced legislation in the House of Representatives of the United States recommending the repeal of this section: Now, therefore, be it

Resolved, That the Disabled American Veterans in National Convention assembled at Philadelphia, Pennsylvania, August 18 to 23, 1968, goes on record as protesting the repeal of Subsection (q) and favors the elimination of this part of the proposed legislation.

RESOLUTION 320—FULL WARTIME BENEFITS FOR EXTRA-HAZARDOUS DUTY

Whereas under present law veterans classified as having peacetime service who incur disabilities under extra-hazardous conditions or conditions simulating war are paid wartime compensation rates by the Veterans' Administration, and

Whereas peacetime veterans who qualify for wartime compensation rates based on disabilities incurred under extra-hazardous duty or conditions simulating war are not eligible for other benefits to which a wartime veteran may be entitled, and

Whereas dependents of peacetime veterans receiving wartime compensation rates based on a disability incurred during extra-hazardous duty or conditions simulating war are not eligible to any Veterans' Administration benefits unless the veteran dies as the result of his service incurred disability: Now, therefore, be it

Resolved by the Disabled American Veterans in National Convention assembled at Philadelphia, Pennsylvania, August 18 to 23, 1968, That the Congress of the United States be petitioned to pass legislation granting eligibility to full wartime benefits to any peacetime veteran who is receiving wartime disability compensation rates based on a disability incurred during extra-hazardous duty or under conditions simulating war; be it further

Resolved, That eligibility to full wartime benefits also be extended to the widow and orphan children of deceased veterans who received wartime compensation rates based on disability incurred during extra-hazardous duty or under conditions simulating war.

RESOLUTION 326—AID AND ATTENDANCE BENEFITS FOR VETERANS RATED 100% SERVICE CONNECTED DISABLED

Whereas under present veterans' Administration laws, when a veteran, who is in receipt of a non-service connected pension, is admitted to a nursing home the special monthly pension for aid and attendance is granted, and

Whereas this does not apply to the service connected veterans, who is rated at 100 per cent, and being rated in this manner could be considered as totally disabled: Now, therefore, be it

Resolved by the Disabled American Veterans in National Convention assembled at Philadelphia, Pennsylvania, August 18 to 23 1968, That a service connected veterans, who is rated at 100 per cent and is admitted to a nursing home that he, also, be granted aid and attendance benefits. The granting of aid and attendance would increase his compensation by \$100 monthly.

RESOLUTION 327—EQUALIZE VOCATIONAL REHABILITATION OPPORTUNITIES FOR VIETNAM VETERANS

Whereas title 38, U.S. Code, Chapter 31 provides Vocational Rehabilitation to veterans of World War II and Korea, who had a compensable disability or were in receipt of retirement pay for disability which arose out of that period of service, and

Whereas it also provides Vocational Rehabilitation if the disability was incurred in service after World War II if the disability is evaluated at 30 percent disabling is clearly shown to have caused a pronounced employment hardship, and
