Re: Urban League, et al
vs. Old Bridge

Dear Ms. Williams:

I am aware of the fact that a copy of Woodhaven's proposal was forwarded to you. Please give me the benefit of your thoughts on said proposal. I believe that the proposal from Woodhaven is a substantial step forward, and would like to give the Township Council an indication as to the Urban League's review of same.

Your prompt attention will be greatly appreciated.

Very truly yours,

Jerome J. Convery,
Township Attorney
