 Re: Schedule of meetings

Confirming the message that I trust you have all received,
 there will be two meetings on Monday, February 11, 1985:

- 1) At 4:30 P.M., a meeting of one (maximum two) representatives from each party - Old Bridge, Urban League Olympia and York, and Woodhaven - to focus specifically on alternative Fair Share number distributions and the proportion of low and moderate income units, in reference to various time frames.
- 2) At 5:30 P.M., a meeting of all parties
 - a) to review and finalize the Planning Board approval procedures for planned developments, for which Carl Hintz will have prepared some materials;
 - b) to discuss questions raised by the Old Bridge Township Council on the structure/operations of the proposed non-profit; and
 - c) to review outstanding issues and determine a realistic schedule for their resolution.

If you have questions or points to discuss prior to these meetings, please call me before Monday, if possible. If it is important to reach me Monday, I will be in Judge Serpentelli's court, where a message may be left at 201-929-2176. My home telephone for this weekend is 201-833-2940.

Although the process is occasionally labored and cumbersome, I do feel that progress is being made, and that some important issues are very close to resolution. Thank you all for your continued cooperation and efforts.
