O & Y OLD BRIDGE DEVELOPMENT COR

760 Highway 18 • East Brunswick, N. J. 08816 • (201) 238-81

HAND DELIVERED

October 17, 1985

Mr. Harvey P. Goldie
Township Engineer
Township of Old Bridge
One Old Bridge Plaza
Old Bridge, NJ 08857

Dear Mr. Goldie:

Delivered herewith are three (3) copies of the Storm Drainage standards we would propose to be applicable to our development. I believe you will find these standards to be in accordance with the present Township engineering standards and differ primarily in that our standards may be more specific.

I would welcome any comment from you and would be pleased to arrange a meeting with our consulting engineers, Elson T. Killam Associates to discuss any revisions you may deem appropriate.

Very truly yours,

O & Y Old Bridge Development Corp.

Lloyd Brown
Executive Vice President
