Re: O & Y et al v. Old Bridge et al
Planning Board Motion

Dear Judge Serpentelli:

The Township Planning Consultant, Carl Hintz, has completed his review of the wetlands delineations submitted by O & Y and Woodhaven and indicates that he will provide a written report to all parties within the next four weeks. During this time period, the Planning Board recommends that the parties meet to review the factual background with respect to wetlands delineations in order to develop a stipulation with respect to the facts regarding the number of acres which are designated as wetlands as well as their location. Assuming this can be accomplished and once all parties have reviewed Carl Hintz's report a date can be scheduled for arguments on the Planning Board's Motion.

By copy of this correspondence to the parties, I am requesting that they contact this office so that a meeting day can be scheduled.

Sincerely yours,

Thomas Norman, Esquire
