Dear Doug:

This is a follow-up to our conversation today concerning the request by the Township of Old Bridge for Substantive Certification before the Council on Affordable Housing. The Civic League of Greater New Brunswick was not notified of this action by the Township, but the League wants to go on record as an interested party in all deliberations concerning certification. Please send to my attention all materials submitted by Old Bridge for consideration by the Council.

Additionally, please let this letter serve as official notice for all Middlesex County municipalities who are seeking action before the Council, that the Civic League of Greater New Brunswick is an interested party in all such requested action or deliberations. This request includes all twenty-five (25) municipalities of Middlesex County, including the cities of Perth Amboy and New Brunswick.

Your cooperation in this matter would be greatly appreciated.

Sincerely,

C. Roy Epps
President

This was by way of follow-up to a recent conversation. I've left a message that I hoped he copied the 25 towns.
