Re: Urban League v. Carteret
 C-4122-74

Dear Judge Serpentelli:

First, I want to apologize to the court for not being able to personally attend the conference that was held with Your Honor on October 5th, at my request. As you know, David Roskos, who is an Associate with this firm, attended and represented the interests of our client. My absence was due to an emergent application which arose only that morning.

Second, through an inadvertance, I did not provide notice of this conference to Richard Schatzman, the attorney for the plaintiff Morris Brothers. However, I was advised by Mr. Schatzman that telephonic notice was given to him by William Moran, the attorney for Cranbury Township. The inadvertance was caused by my reference to the earlier plaintiffs and I did not take into consideration the fact that Your Honor had allowed the Morris Brothers to intervene in this case, albeit in a secondary priority position with respect to builders' remedies.

Respectfully yours,

 Michael J. Herbert
