Re: Urban League of Greater New Brunswick, et al.  
v. Borough of Carteret

(Brunswick Manor Associates v. Twp. of No. Brunswick)

Dear Mr. Les:

We would greatly appreciate receiving a copy of the Zoning Ordinance referred to in your letter to Judge Serpentelli, dated October 17, 1984. Due to the fast approaching November 25 extended deadline, we feel that said ordinance should be delivered quickly to all parties so that we will have sufficient time to review same and submit our comments.

In addition, on September 15, 1984 we delivered to you three (3) reports constituting our recommendations for revising the Township's land use regulations. However, to date, we have not received any feedback as to the Township's position on said recommendations.

In light of the above, we would very much like to meet with the Town Council so that we may provide our input directly. Please advise as to whether such a meeting is feasible in the near future.

Thanking you for your attention in this matter, I am,

Very truly yours,

  
STEWART M. HUTT
