Re: Urban League v. Carteret (North Brunswick)

Dear Les:

As you know, Paragraph 20 of the Consent Order as to North Brunswick signed September 10, 1984 by Judge Serpentelli requires a quarterly report in writing by the Township to the Civic League detailing all proposed developments filed with the Planning Board and other information. I have not to date received the report due September 30. I am sure that the information required in this report would be important to the Master's review of the zoning ordinance and to the finalization of the affordable housing ordinance. I would appreciate your completing and forwarding the report forthwith and sending a copy to Ms. Lerman as well as to us.

Sincerely yours,

Eric Neisser

Re: Urban League v. Carteret, No. C 4122-73
(North Brunswick)

Dear Les:

On October 10 I wrote you requesting the regular quarterly report. On October 14 you wrote me informing me that you were in the process of gathering the material. To date, I have not received the report.

On October 23 I wrote you informing you of the compliance hearing for North Brunswick and requesting the revised affordable housing ordinance. You have now received the Judge's formal notice that the hearing is set for December 9. At a hearing yesterday in court Ms. Lerman and the Judge inquired again about the status of the affordable housing ordinance. We would appreciate your forwarding by return mail to Ms. Lerman, myself, and the rest of the Service List your existing draft of the ordinance, whatever its status, so that we can in a timely fashion provide comments and, hopefully, reach final agreement.

I look forward to your immediate attention to this matter.

Sincerely yours,

Eric Neisser
