RE: Urban League, et al. v. Carteret, et al.

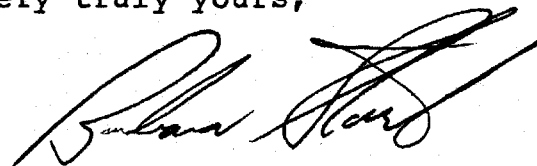

Dear Mr. Stonaker:

This shall confirm the understanding reached at our meeting on June 30, 1987. We have agreed to a 30 day adjournment of the Civic League plaintiffs' Motion for Enforcement of Litigant's Rights, from the previously scheduled return date of July 24, 1987. Such adjournment will naturally be without prejudice to the rights of either party.

Plainsboro will develop a plan for the provision of 350 units of affordable housing within Plainsboro by 1992. In order to do so, the Township has retained Alan Mallach as a consultant and it is our understanding that you will be meeting with Mr. Mallach this week. Although Mr. Mallach will be paid by the Township, it is understood that he shall freely consult with both parties.

You have further agreed to promptly provide all information set forth in paragraph 1 of the proposed form of Order, an additional copy of which is enclosed for your convenience. Please forward this information as soon as possible to us and send a copy directly to C. Roy Epps, President of the Civic League, so that we have the opportunity to review it, and to discuss it withour client, before our meeting on August 13, 1987. As agreed, we will come to Plainsboro that afternoon to discuss the progress of Plainsboro's plan.

Very truly yours,

encls
