RE: Urban League v. Carteret

Dear Joe:

This shall confirm our telephone conversation this morning in which you advised that the Township has agreed that Paragraph 3(e) of the revised Consent Order shall require the construction of "25 moderate and 15 low income sales units" rather than "40 moderate income sales units" as set forth in your earlier draft. The Civic League agreed to the Township's revised schedule set forth at Paragraph 3(f).

You further advised that you would forward a signed copy of the Consent Order after you are authorized to do so by the Council at its January 27, 1988 meeting.

Very truly yours,

cc/C. Roy Epps, President
Civic League of Greater New Brunswick
