Re: Urban League of Greater New Brunswick vs. Carteret

Dear Judge Serpentelli:

Please be advised that a first draft of the South Brunswick ordinance revisions has been prepared and forwarded to the Plaintiffs for their review. Following that review a conference was held with the Plaintiffs on July 26, 1984, during which time some modifications of the draft were agreed upon. Additional proposed modifications will be scheduled for discussion at a joint meeting of the South Brunswick Township Committee and the South Brunswick Planning Board, hopefully during the week of August 6th.

Following that review, an additional session with the Plaintiffs regarding the ordinance revisions would be anticipated prior to submission of same to the Court. At such time I would expect to schedule a date with the Court for review of the ordinance revisions and entry of a formal order.

Cordially,

BENEDICT AND ALTMAN
