Re: Urban League of Greater New Brunswick v. Borough of Carteret

Dear Judge Serpentelli:

This is in response to your recent call to Mr. Benedict's office inquiring about the status of our negotiations with South Brunswick regarding the ordinance revisions required by the Consent Order.

On behalf of the Civic League, let me indicate that we are pleased with the progress being made toward reaching final agreement on the ordinance revisions. At this point, there are only a few provisions on which there is any significant disagreement. Mr. Benedict and I are hopeful that we will be able to work out these differences over the next couple of weeks.

If we are unable to do so, however, we may ask the Court to appoint an expert for the limited purpose of assisting the parties in resolving the remaining differences prior to formal submission of the proposed ordinance revisions to the Court.

We appreciate your patience in this matter and will keep you apprised of the status of our negotiations. Do not hesitate to call if you have
