RE: Urban League v. Carteret
No. C4122-73 (South Plainfield)

Dear Judge Serpentelli,

I write to object in two regards to the form of the Order submitted by Mr. Dalto. First, the Order that is being modified is your Honor's Amended Order of July 19, 1985, not the original Order of July 3. Second, I do not think that your Honor intended to mandate the issuance of building permits regardless of other legal restrictions; rather I understood that you wanted to allow the normal inspection process to go forward with regard to these three sites and to allow permits to be issued if they would otherwise have issued based on compliance with applicable health, safety and building codes.

Sincerely yours,

Eric Neisser
